

Health and Safety Policy

Health and Safety at Work Act 1974.

It is the company's intention to enforce a healthy and safe environment for employees to work. In order to do this the company must:

- **provide adequate control of the health and safety risks arising from our work activities.**
- **consult with our employees on matters affecting their health and safety.**
- **provide and maintain safe plant and equipment.**
- **ensure safe handling and use of substrates and inks.**
- **provide information, instruction and supervision for employees.**
- **ensure all employees are competent to do their tasks, and give them adequate training.**
- **prevent accidents and cases of work related ill health.**
- **maintain safe and healthy working conditions; and**
- **review and revise this policy as necessary at regular intervals.**
